Trinity Center, CA 96091

**Agreement for Advancement of Fees for EMT Certification
in Service of the Trinity Center Volunteer Fire Dept.**

The Trinity Center Volunteer Fire Dept. (TCVFD) is in need of qualified/certified Emergency Medical Technicians (EMTs) to support the Emergency Medical Service needs of our community. Normally the TCCSD will reimburse the costs of training, background checks and other certification requirements after the certification has been received. Recognizing that these costs can be expensive and that the service provided for the TCVFD after certification is uncompensated, the TCCSD is willing to pay for training costs in advance of the class if the candidate requests and if the following requirements are met.

1. The candidate is a member in good standing of the TCVFD and commits to remain so for at least 12 months after receiving EMT certification
2. The candidate commits to complete the training course and all actions required by NorCal EMS to become a certified EMT within 6 months of commencement of the EMT training class
3. The candidate has no history of felony convictions or other history that would prohibit passing a Trinity County Sherriff's Office (TCSO) Live Scan background check (requirement of the certification process)
4. The candidate commits to respond to all medical calls, when available, while serving the TCVFD unless excused by the Fire Chief for good reason

The candidate, _____, agrees to the above conditions, and further agrees that, should they not meet the requirements listed above or not complete the training and certification process, they will reimburse the TCCSD for the expenses that were advanced.

The TCCSD will pay \$_____ directly to Trinity County Life Support to enroll the candidate into the EMT training/certification program.

Signatures:

_____ Candidate _____ Date

_____ TCCSD Director _____ Date

_____ TCVFD Chief _____ Date

Notes:

- Each candidate application will require separate TCCSD BoD approval
- There are other costs associated with certification that are reimbursable by the TCCSD
 - NorCal Certification (approx. \$120)
 - National Registry Fee (approx. \$70)
 - Live Scan Background Test (approx. \$67 - TCSO)
 - Medical tests & vaccinations
